

Alabama AGC

joins Alabama Struck By Alliance
for a

Safety Stand Down

During the week of April 9-13, 2018
Focusing on
Work Zone Safety

The theme for 2018 National Work Zone Awareness Week is **“WORK ZONE SAFETY IS EVERYBODY’S RESPONSIBILITY”**. This national event was created to focus attention on work zone safety and work zone workers. Since the creation of the national campaign the number of work zone fatalities has dropped significantly. **Please help us to continue this downward trend by Participating in our Awareness Campaign by hosting a tool box talk anytime during that week or the month of April.**

Registration

- Yes, my firm pledges our commitment to participate in a Safety Stand Down during the week of April 9-13, 2018
- Your employees and those of your subcontractors are encouraged to participate. Please provide an estimate of the number of individuals who plan to participate in your Safety Stand Down(s)? _____

Safety Stand Down

During the week of April 9-13, 2018

“WORK ZONE SAFETY IS EVERYBODY’S RESPONSIBILITY”

Alabama AGC, as part of the Alabama Struck By Alliance will participate in a statewide Safety Stand Down in recognition of

National Work Zone Safety Awareness Week April 9-13, 2018.

We are asking you to join us by hosting a safety meeting on one of the days during that week (or anytime during the month of April) to make your employees aware of the importance that the construction industry places on **Work Zone SAFETY**.

This year’s National focus is

“Work Zone Safety is EVERYBODY’S RESPONSIBILITY”.

The initiative is asking that we get the message of the importance of **SAFE “Undistracted” driving through a Work Zone.**

Your company may not be involved in building roads – **BUT** your employees drive to and from work everyday; and many are driving company vehicles. Please ask that they Drive Safely through Work Zones...and to always **EXPECT THE UNEXPECTED!!**

In an effort to give OSHA an idea of how many employees participate in this National Event, we are asking that each company register using the attached registration form. It will not take more than a few moments to fill out this form.

**Help us keep Safety as Our Number 1 Priority and
Help protect YOUR Employees!**

For a Tool Box Talk PLEASE VISIT OUR WEBSITE:
