To: Mobile Section, Alabama AGC Member Firms

**From: Buzzy Riis
Chairman
Mobile Section, AGC Safety Committee**

On behalf of Mobile Section, AlabamaAGC's Safety Committee I would like to invite you to participate in our **Annual Safety Awards Program** which will recognize the outstanding safety performance of **local AGC members**. **Entries must be submitted by February 16th to Charlotte Kopf at the Mobile AGC office.**

The purpose of this program is to recognize members who have excelled in their safety performance in the Mobile Metro area throughout 2016. These awards are offered **in addition** to those safety programs offered by AGC at the state and national levels. We have found that awards and participation in programs of this nature can be beneficial in creating a positive safety attitude for your employees and in dealings with OSHA.

Winners will be awarded in each category based on their safety record for the number of man hours worked, and will receive recognition for their safety performance at our **Safety Awards Luncheon** which is scheduled for **11:30 A.M. Wednesday, March 22nd** at the **Country Club of Mobile**.

In recognition of the importance of contractor safety the following companies have agreed to sponsor this event. As a result of their generous support, there will be no charge for participants to attend the Awards Luncheon.

**CompTrust AGC
Burr & Forman, LLP
Hand Arendall, LLC
Industrial Wellness Rehab
Lyon, Fry, Cadden Insurance
Occupational Health Center
S. S. Nesbitt
Safety Guidance Specialists
Safety Plus
Safety Source
Turner Insurance & Bonding
Thames Batré Insurance
Willis Towers Watson**

The committee will again recognize someone as Mobile Section's "**Safety Leader of the Year**". Nominations are being requested from each participating company.

Most of the information for the statistical data needed can be obtained directly from your OSHA 300A Summary Log for the period **January 1, 2016 thru December 31, 2016**. A copy of the OSHA 300A should be included with your application.

Who Should Participate:

1. Contractors

- Building
- Heavy/Highway
- Industrial
- Municipal/Utilities

2. Specialty Contractors

- All Specialty Divisions

3. Engineering Firms

4. Suppliers

There are two parts to the application, **Part I (Statistical Data)** is mandatory, and **Part II (Checklist Program Assessment)** which is optional. However, the committee encourages each participant to fill out both Parts which will be useful in case of a tie.

Please include a photo of one of your 2016 projects. (which may be used in the presentation power point at the Safety Awards Luncheon)

Mobile Section, AGC's Safety Committee strongly encourages you to participate in this program. Should you have any questions, please feel free to contact me or Charlotte Kopf at the AGC office.

Sincerely,

Buzzy Riis

The safety profession is made up of men and women who have devoted their careers making our workplaces safer. Some safety professionals go far and above the call of duty in their devotion to preserving quality of life in the workforce. Many go far above and beyond the borders of their employer, distinguishing him or herself by giving back to the industry. This very prestigious award exemplifies the most dedicated and innovative safety leaders and their active participation in the advancement of the safety management process both within their company and in the construction industry. **This award is an opportunity for a safety leader to be recognized by their company, and by their peers within the construction industry.**

Please provide a short summary supporting why your candidate should be considered for this award. Take this opportunity to draw the judges' attention to the specific accomplishments and contribution to the industry as well as to your company. In the event, that your candidate is chosen, we may use this information in the presentation of their award. Include information about specific characteristics or accomplishments that demonstrate that "special something" that sets your candidate apart from others. Important qualities of a deserving candidate include evidence of contribution to the industry as a safety leader, development of a safety culture with a high level of employee involvement and management commitment, continuous improvement, and new and/or unique programs developed by the candidate.

General Rules

1. **The company CEO or president must nominate candidate for this award;**
2. **A nominee for this award must be employed by an AGC member;**
3. **A nominee for this award must devote at least 50 percent of his/her duties to Safety and Health.**
