AGCP&C TO OFFER UMBRELLA COVERAGE

BIRMINGHAM, Ala. — AGCP&C is the property & casualty insurance facility exclusive to CompTrustAGC members through Benchmark Insurance Company, admitted in 49 states and the District of Columbia. Packaged with CompTrustAGC and backed by Alabama AGC, they carry an “A (VIII) Excellent” rating with A.M. Best and are tasked with coverages that protect all AGC members.

These coverages have historically included Commercial General Liability, Commercial Automobile, Commercial Property & Inland Marine and Business Owners Policy. However, they are now set to offer Commercial Umbrella coverage up to \$2 million, yet another crucial tool to managing risk and mitigating the damage when the unfortunate and unplanned occur. As a leader in the nation’s contracting, construction, and related industries, AGC places services like these at the heart of preparation.

“AGCP&C has been an excellent insurance solution for Alabama’s contractors,” Jeff Rodgers, President of CompTrustAGC, said. “With the new umbrella option provided by Benchmark Insurance Company, this product rounds out our suite of insurance products while providing bottom-line savings and best-in-class risk management practices. We are excited to have another new insurance tool designed by contractors for contractors.”
